# Circles

*Apieh Claybrook*

Institute of Transpersonal Psychology  
Palo Alto, California, USA

Even a lodgepole pine is full of circles.

We circle along  
learning, healing,  
becoming what we've always been.

There's nothing to be done about it  
but we try  
(so hard)  
to straighten out!

*Hold on to insights, moods, and attitudes  
fix thinking  
get it right  
use our gifts  
take advantage of really living.*

We want a hero's straight path  
but Still  
we need no path.

In circles, Spirit breathes  
  
air goes out so  
it can come back in again  
nothing lost  
and no trouble.

We all do this  
even when we think we know better.
