Greetings from CIIS!

In an effort to keep the alumni community connected, we are excited to send you this first alumni e-letter, which supplements CIIS Today (mailed in November and May). This biweekly newsletter will allow for more frequent announcements and networking opportunities, so please send us ideas you’d like to see included.

There are now more than 4,300 alums living all over the world, and we are looking forward to sharing your news with them.

We are pleased to announce that 450 new students have begun their undergraduate and graduate studies, helping to create a record number of students at CIIS: 1,430!

CIIS DEVELOPMENT REVENUE TOPS $1 MILLION

During the 2009–10 year, more than 480 donors, representing every segment of the CIIS community, gave gifts to CIIS. This was the highest number of annual donors in the Institute’s history, with 201 of those donors being alums.

NOTABLE GIFTS AND DONORS INCLUDE THE FOLLOWING:

• $412,000 from the San Francisco Department of Public Health for the Mental Health Services Act Initiative to support student recruitment and faculty/staff training

• $247,000 from the J.C. Kellogg Foundation for the ICP Diversity Scholarship Program, the Counseling Centers of CIIS, and the library.

• A total of nearly $300,000 from donors to the library, including $75,000 (to date) to name the Rajendra and Malti Prasad Reading Room, and $75,000 (to date) to name the Robert McDermott Reading Room; fundraising for the library project is ongoing

• More than $225,000 raised for scholarships and research

Thank you to all those who made a gift last year. Your generosity to the Alumni Scholarship Fund assists continuing CIIS students in receiving their degrees.
