I hope this e-mail finds you well and thriving. Fall semester is in full swing here at CIIS. It's wonderful to see how we have grown – there are nearly 1,500 students currently pursuing academic degrees and over 7,100 alums living in 38 different countries!

I had the pleasure of traveling to Rajasthan, India with a group of alums this past spring. Among the many highlights was the Nagaur Cattle Fair and camping within the walls of the old fort there. New travel offerings for 2017 include Chiapas, Auroville and Bali.

On your next visit to the Mission Street campus, please stop by the new bookstore located adjacent to the art gallery on the first floor. We are pleased to announce the launch of a new partnership between Beijing Tong Ren Tang (TRT) and CIIS with a variety of herbal products now available in the bookstore.

I hope to see you at a CIIS event in the near future—please keep in touch!

Sincerely,

Richard Bugge
